- Pay a preliminary deposit to build a new home between 1st Nov 2020 and 31st January 2021 and
- Enter into a building contract within 2 months of paying the preliminary deposit and
- Commence building within 3 months of signing a building contract

This promotion is not applicable to House and Land Packages or multi-dwelling developments. This offer is limited to one per customer and / or contract. This promotion cannot be redeemed for cash or substituted for any other items or brands. All drawings and photographs are for illustrative purposes only and may contain items that are not included in the upgrade offer or are not part of a standard Pycon Homes design. Pycon Homes has the right to alter this promotion at any time without notice. This promotion cannot be used in conjunction with any other promotions offered by Pycon Homes. Offer ends January 31st 2021 at 4pm.

Year-Round Home Comfort

The ducted air-conditioning system consists of:

- Panasonic 10 Kw air conditioning system.
- Up to 7 outlets.
- Day/night zones with one control panel.
- Single phase metre box provisions.

The system included may not be sufficient for large or two storey homes. Any change to the system to suit the home of your choice, or your personal preferences, will incur additional costs. There are no allowances for house frame adjustments if required. The system is installed and warranted by Gleeson's Refrigeration & Air Conditioning through Panasonic Australia.

Upgraded insulation includes R2.0 batts to external walls and R3.0 batts over internal living areas.

The upgrades offered are subject to stock availability. Pycon Homes accepts no responsibility if substitution of a product becomes necessary due to availability or other unforeseen circumstances. In this case, a product of similar size and / or value will be sourced from another provider selected by Pycon Homes.
